To Oil & Gas Operators in Negara Brunei Darussalam

**Release Of Decommissioning & Restoration Guidelines (Rev B) For Industry Use**

The Decommissioning and Restoration Guidelines (Rev B) dated June 2018 is now released for use and will take effect immediately and is not retrospective. We thank all the Oil and Gas Operators in Brunei Darussalam, other relevant stakeholders from Industry, international consultants and relevant Government Agencies for their collaboration and contribution in developing the Decommissioning and Restoration Guidelines.

The objective of these Guidelines is to have a consistent approach in the development, submission, review, acceptance and undertaking of D&R activities in Brunei Darussalam. The Guidelines are developed in line with applicable national legislation, directives and government policy in conjunction with regional guidelines & international obligations and standards.

The Guidelines are now available in the Ministry of Energy & Industry website at [www.ei.gov.bn](http://www.ei.gov.bn) for viewing and downloading. Flow charts of the D&R processes are also available in the MEI website.

Yours Sincerely,

[ HAJI MOHAMAD AZMI BIN HAJI MOHD HANIFAH ]  
Permanent Secretary (Energy & Industry)
